It works like this. You help us by talking about Rentberry on social media, writing and sharing an article about our platform on your blog, or translating content from our Whitepaper, ICO website, and videos. In return for expanding the Rentberry community, you'll earn BERRY tokens.

The bounty program budget is approximately **7 million BERRY tokens - or 2.5%** of distributed tokens. The exchange rate is 1 ETH = 2,500 BERRY.

There are six ways to engage and reap rewards, with the bounty budget divided thus:

- Twitter (20%)
- Facebook (20%)
- Article Writing (20%)
- Give Feedback (20%)
- Become a Rentberry Friend (15%)
- Translation (5%)

Bounty program participants are welcome to engage with any combination of these channels and services. The bounty campaign will run until the end of [the ICO](#) (February 28th), or until the budget has been used, whichever comes first.
